Special Christmas Season request / challenge

Leanne Gowler has an idea during this season of gatherings to connect us with those members of our Church Family who have been shut in and/or unable to partake in services live and/or via Zoom.

Your mission: record a short video or take a photo of these members of our Church Family during your visit(s) with them — landscape or horizontal format is best -- in which they can **send their greetings to their Broadway family or extend their wishes for the New Year.**

The vision: to create a short film compiling the greetings, voices and faces of those in our BFBC family whom we have not been able to see in person in the recent past, to be shared on the church Facebook page.

If video is not an option, you can simply summarize their message when you send along your visual record of your visit to bfbc@mts.net or to Raymond Sokalski via Facebook Messenger.

"Best Before" submission date: **26 December, 2021**

PANDEMIC PROTOCOLS

Current public health orders require those attending service in the Sanctuary — currently limited to one-third capacity — to maintain social (physical) distance from all who are not members of your household, and to be masked unless you are helping lead the service.
