Special Christmas Season request / challenge

Leanne Gowler has an idea during this season of gatherings to connect us with those members of our Church Family who have been shut in and/or unable to partake in services live and/or via Zoom.

Your mission: record a short video or take a photo of these members of our Church Family during your visit(s) — landscape or horizontal format is best -- in which they can **send their greetings to their Broadway family or extend their wishes for the New Year.**

If video is not an option, you can simply summarize their message when you

send along your visual record of your visit to bfbc@mts.net or to Raymond Sokalski via Facebook Messenger.

"Best Before" submission date: **26 December, 2021**

PANDEMIC PROTOCOLS

Current public health orders require those attending service in the Sanctuary — currently limited to one-third capacity — to maintain social (physical) distance from all who are not members of your household, and to be masked unless you are helping lead the service.
